

July Overview: There was no regular meeting in the month of July. Due to not enough board members in attendance. Meeting of July 11th, 2023, was canceled and the next regular meeting will be held on August 8th. At 6pm – **Location:** 55 county road 4275

On Going Business:

Plant Update: Teresa will give us the June and July plant update at our August 8th meeting.

Expense Report: Will review and discuss June at the August 8th meeting

Building Update: Madi is only going to put the very little bit she knows, and Craig will elaborate at the August meeting.

We're having a very difficult time trying to get someone out here to work let alone give us a bid. Nancy has a general contractor (Rex Farnsworth.) who might put a bid in to do the framing work on our building.

Taxes 2022: Vote on at the August meeting.

New Business:

Audit: Lee Baldwin: Will be present at the August 8th meeting to discuss

Pay star – Online bill pay: Stacy has sent the last of the paperwork off to them and the ball is now in their court.

Old Business:

Resident Meter Issue: The main matter has been resolved as of June 26th and Craig can elaborate on that issue more at the upcoming meeting.
